**Strategy:** Coordinator contacts directors, updates & sends adm. forms, media templates and sealant material for clinical facilities across PA. Academic directors, clinic administrators and community clinics donate day of free dental disease prevention services to underserved children. Specific demographic data is collected & summarized above. **Sincere Thank you to ALL our Coordinators and Volunteers.**

**How to get involved:** PDHA website lists all clinical sites with a **PDHA volunteer coordinator** email address for each site. ALL RDH/ PHDHP colleagues are welcome; please e-mail sign up as professional volunteer; open [www.PDHAonline.org](http://www.PDHAonline.org) for locations We are always searching for new clinical partners; please email [JaclynGleber@comcast.net](mailto:JaclynGleber@comcast.net) with possible contacts or more information.

**Thank you to Dentsply Professional of York, PA; they have donated sealant material to every clinic site for All 13 Years.**  
**Also ... Thank you to Premier Dental who generously donates Fluoride varnish to all requesting clinics ~ 2008-2015.**
