Pennsylvania Dental Hygienists’ Association
Continuing Education Day—6 CEUs
Saturday, September 23, 2017    8:00am — 3:30pm (Registration 7:15 am)
Valley Forge Casino Resort—Radisson Hotel Tower
1160 First Ave., King of Prussia, PA 19406

You asked for it….here it is. One day where you can get most of your required courses at one time!
Three courses to choose from: Anesthesia, Child Abuse & Person with Special Needs (acceptable towards PHDHP credits). Pick one for the morning session and one for the afternoon session. (Sorry, no half day registrations are permitted—must attend two sessions)

“Is This Going To Hurt? Overcoming Clinical Challenges in the Administration of Local Anesthesia”

Sponsored by Dentsply

Course Description: This course will offer “pearls” that can be utilized for the administration of local anesthesia. Participants will become well versed on the selection of agents that will be most effective for each individual patient. Case studies will be reviewed that focus on the adult patient with special needs, the cardiovascular patient, the pediatric patient, the pregnant/nursing mom, the patient with respiratory complications, and the fearful patients and difficult to anesthetize patients. Come prepared to leave with an arsenal of information that will equip you with the tools and information needed to ensure your patient is pain free during dental procedures.

Speaker: LISANDRA MAISONET RDH, BS, PHDHP, EFDA
Lisandra Maisonet, RDH, BS, PHDHP, EFDA, received her AS degree in Dental Hygiene from MCCC and a BS degree from Pennsylvania College of Technology. She is enrolled in a Master’s Program in Adult Education at Penn State University. Further, she is certified as an EFDA and is an adjunct Faculty in the Dental Hygiene Program at MCCC. She has been administering local anesthesia since 2010. Her experience in both a pediatric and general setting has allowed her to enhance her anesthesia skills. She is well versed in administering local to children as young as two years of age and successfully works with the most fearful and difficult to anesthetize patients. Currently she serves as president of the Pennsylvania Dental Hygiene Association and is always working to push the profession forward.
“Caring for the Oral Health of the Person with Special Needs”

Sponsored through a Dental Trade Alliance Foundation grant award

Course Description: This program will educate oral health professionals how to properly assess the oral health needs of the person with special needs through a multi-disciplinary approach to care. By incorporating and supporting a practical, integrated care model for oral health, this model can be used for the overall management of the person with complex oral, medical, emotional, and behavioral conditions that can limit their ability to access care. Oral health providers will be taught tools to help them become more confident in their skills and knowledge base in treating individuals with special needs.

Speaker: ALICIA RISNER-BAUMAN DDS, FADPD
Dr. Alicia has practiced in and served as the clinic director in several public health settings for the last 20+ years after leaving private practice to follow her passion of advocating for understanding and meeting the needs of underserved populations. She earned her Doctorate in Dentistry at the University of Iowa, and has a Fellow from the Academy of Dentistry for Persons with Disabilities (Board of Special Care Dentistry Association). She currently is serving on the American Dental Association (ADA) Council on Advocacy for Access and Prevention (CAAP) for Pennsylvania. She served as Chair of the Pennsylvania Dental Association (PDA) Access to Oral Health Advisory Group, and serves on the Board of Directors for the Pennsylvania Coalition for Oral Health (PCOH), and is the Special Needs Dentistry Consultant for the PA Head Start Association. She is also a member of the Health Advisory Group for the Governor of PA. She has several publications and a history of presentations relating to advocacy and treatment for complex patients and access to care. She is currently working as an Assistant Professor at LECOM School of Dental Medicine’s senior outreach clinic in Erie, PA, and she continues her work as a dental consultant, educator, and special needs advocate.

“Recognizing and Reporting Child Abuse”

Sponsored by Colgate

Course Description: This course will help you gain an understanding of your role as a mandated reporter in meeting your legal obligations in the area of child protection as per the Child Protective Services Law (CPSL). You will describe and apply current information on the CPSL, recognize elements and indicators of child abuse and neglect, and demonstrate reporting procedures.

NOTE: This course is through the PA Family Support Alliance (PFSA) which is an approved provider by PA State Board of Dentistry.

Speaker: ANGELA YORINA RDH, MS, PHDHP
Angela received her MS from Misercordia University in Dallas, PA. She implemented a dental clinic at The Hope Center in Luzerne, PA and was the recipient of the PDHA Community Dental Health Award in 2008. Angela also presents courses on special needs patients, communication, toothpastes and polishing. She is a Certified Trainer through PFSA to present “Recognizing and Reporting Child Abuse” training to PA mandated dental professionals.
