

Setting up an account with CE Zoom

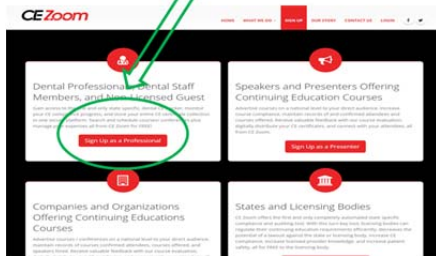

Step 1

Step 1. Go to <https://www.cezoom.com>
Click "Sign Up" to get started

CE Zoom is the most powerful website and application geared specifically for storing, tracking and auditing CE's.

Step 2

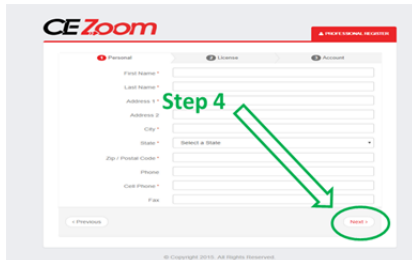

Step 2. Click "Sign Up as a Professional"

Step 3

Step 3. Fill in your demographical, license and account information. In the account section, you will enter your email and create a username and password.

Step 4

Step 4. Click "Finish" and you will receive a confirmation email from CE Zoom with your login information.
