

Trending Concepts in Dental Hygiene (2 CEUs)

This year's course will include relevant topics and trends in oral health and student presentation of posters. The topics fall into seven distinct topics related but are not limited to: Dental Hypersensitivity, Erosion, Gingival Health, Denture Care, Appliance Care, Dry Mouth, Nicotine Replacement Therapy, Pain Management, Stannous vs. Sodium Fluoride, Antiseptic Mouthrinses, Specialty Toothpastes and Creating Good Oral Homecare Regimens. Under these topics, students will provide unique insight into many of the facets needed to assist patients. Attendees will be asked to provide written feedback to student presenters. Proceeds will be donated to NCC ADHA Student Chapter.

Registration Form

Thursday, November 7, 2024; 6-8 pm in room CC-220 (College Center)

Northampton Community College, Bethlehem Campus
3835 Green Pond Road
